## DESCRIPTION

Experience the next evolution in architectural lighting with this recessed or mud-in aluminum profile, designed to blend seamlessly into walls and ceilings. Whether in linear, angled, or custom patterns, it lets you play with light lines—as wide and as long as your design demands.

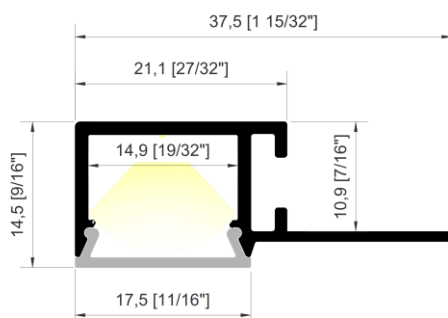

Perfect for both residential and commercial spaces, this profile brings a modern, minimal lighting touch without visible trims or frames.

Available in 10' lengths, a variety of colors, and diffuser options, it's the ideal solution for bold, creative, and clean lighting integration.
