## DESCRIPTION

Crafted from premium, eco-friendly felt, this lighting fixture offers a sustainable design paired with modern utility. It includes integrated acoustic insulation that effectively lowers surrounding noise, enhancing sound quality and comfort in any room. The flame-retardant properties of the felt add an extra level of safety, making it appropriate for use in homes, businesses, and hospitality spaces.

Designed with user convenience in mind, the fixture can be equipped with a remote control for easy, hassle-free lighting adjustments. It's also simple to care for, compatible with vacuuming, everyday cleaning products, or a gentle mix of water and salt. Combining resilience, elegance, and functionality, this lighting fixture blends smoothly into a wide range of interior styles.
