DESCRIPTION

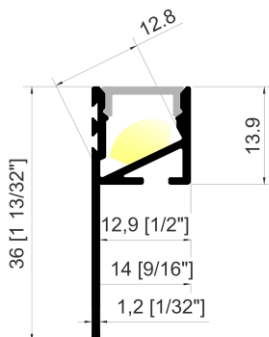

An architectural LED aluminum profile designed for clean edge lighting along walls and ceilings. Ideal for outer corners and end-of-surface details, it creates a crisp, continuous line of light that highlights transitions and adds a modern finished look. Suitable for residential and commercial applications where a sharp, minimal lighting detail is required.

Available in 10' lengths, a variety of colors, and diffuser options, it's the ideal solution for bold, creative, and clean lighting integration.
